4-30-07

Dear Governor Elect Dave:

Thanks for the conversation today. You are a very kind hearted and imaginative leader.

Your ideas and suggestions are an inspiration. As I mentioned, I noted 9 of them for immediate action. A number are related to membership, and it is my goal to maintain at least 10 members through the year, that is 3-4 above our number of record. As with any organization the people aspect is paramount, so that rises to the top of my priority list for 07-08.

We look forward to much progress in this and other areas during our mutual terms of office.

Attached is the Rotary Foundation Commitment Form. I had to fill it out without the benefit of polling the entire membership due to the shortage of time, therefore the commitment reflects an achievable level in the unlikely event that no one donates but me.

We look forward to the district assembly on May 19, and your visit to our club on July 25.

Very best regards,

C. Cirulli
