

ROTARY CLUB OF FORT WORTH HORIZON

RYLA Meeting - August 22, 2007

Our meeting on August 22, 2007 honored our RYLA scholar [Jeremiah Jones](#).

He spoke of his RYLA experience and the dynamics of the 100 plus student leaders who participated. We vowed that as a club to follow Jeremiahs studies and career and support and encourage him along the way. RYLA director Janelle Kavanah introduced him, and Jerimiah's mom, Mrs Judy Jones was in attendance.

Charter member Roger Paschal gave a classification talk about the investment real estate market and attendant opportunities. Ask about his monthly seminar that draws several hundred investors (rdpaschal@gmail.com). Roger also brought a guest, Lynn Boyer.

Hyacinth announced that we received a District matching grant of \$1500 for an incubator for our hospital project. After the meeting Janelle Kavanah, and Mrs Judy Jones made a very generous donation to the project, and for that we thank them heartily.

The meeting was closed with a briefing of how members will be asked to organize the next "special event meeting" and that we will have a board meeting in September.

Thanks to all that attended and participated.
