

ROTARY CLUB OF FORT WORTH HORIZON

President's Report, April 15, 2007

This weekend is the District Conference. It is a time to celebrate Rotary and a great way to fellowship with hundreds of other Rotarians. It's not too late. You can still plan to attend this year's REV UP and GEAR district 5790 Conference. I am attaching the registration form in a word document form so that you can email to the registrar Kevin Hendricks khendricks@farmersagent.com. The conference schedule is on the [district website](#). Click the "District and Club Events" tab (fourth one over).

We welcome new [members](#) Roger Paschal and Lily Wong. [Roger](#) is a realtor and past president of Rotary Horizon. Lily is in health care administration.

Forward our rotary website www.rotaryhorizon.org to your friends and business associates. It is a good way to promote the club and also the websites of our members. Attached is also a template to make some "[business cards](#)" to hand out. Print it out, preferably on card stock, and then cut out the individual cards.

Be mindful of ways to support our Africa [hospital project](#). We are looking to partner with another club to raise the \$ 5000 needed to get a matching grant of \$5000 from the Rotary Foundation. Links to maps of the area were added to the website, and also a more readable list of needed items.

The first week of May, our fellow member Dr. Gracia and his team will go to Mexico for another round of surgeries for needy children. These trips take place each spring and fall. Since project inception, over 3700 charity surgeries have been performed. [Read more about it...](#)

Please reply to this email to provide feedback, or to submit information for the website.

Thanks for your interest and support.

Respectfully yours,

Glenn Nixon,
President 2005-2007
