

ROTARY CLUB OF FORT WORTH HORIZON

President's Report, July 22, 2007

This is **my first report as president**. Lesson learned so far, “don't be out of town when the president is elected”. But, I will do my best...

- **First item of business is the all-important District Governor's visit, this Wednesday, July 25th. Please bring a friend. [Review the agenda...](#)**
- I have **assigned every member a directorate**. We can work throughout the year to define and develop these areas of responsibility. **[Review the assignments...](#)**(Then press backspace on your keyboard to return to this page)
- In June we applied for and were approved to participate in the **RI Meeting Frequency Pilot** through 2011. The program allows the frequency of club meetings to be flexible and to be determined by the membership. **[Review the project plan...](#)**
- **A business meeting was held on July 11, 2007**. Of note is that rising assessments from RI necessitated an increase in annual dues to \$80.
- Nothing like favorable press. Our club projects are profiled on **page 5 of the July district newsletter**. **[Click here](#)**, then go to district newsletter tab, then archives 2007-2008, then July 2007.
- The district is offering **Foundation and Membership Seminars** at Texas Motor Speedway on August 11, 2007. This event will expand your knowledge of Rotary. **[Review the details...](#)**

We look forward to a good year of growth and positive outcomes. Thanks for your interest and support.

There will be no report in August. Enjoy the summer.

Respectfully,

C Cirulli,
President 2007-2008
