JEREMIAH JONES

Personal Statement 5-14-07:

My name is Jeremiah Jones and I have just completed my junior year at [Aledo High School](#). I make an A average. My favorite subjects in school are Physics, History, and Band class.

I participate in the school band and have been part of the school drum line for 2 years. I have won several awards for UIL accomplishments at the State Level. UIL is the University Interscholastic League where you play musical solos and ensembles for a judge.

I am the drummer for my Youth Band and Praise Team at Tabernacle of Praise in Fort Worth. I am also a student leader in my youth group.

My life goals are to preach the Bible to as many people as possible and to help as many teens as possible. I am interested in majoring in Pastoral Ministries and Music Education.

For college, I have thought about either Oral Roberts University or North Texas.

I want to attend RYLA because of the leadership abilities I would gain by going.
