

## ROTARY CLUB OF FORT WORTH HORIZON

7-1-07

Dear AG Andrea:

I have been reading your club Western Roto newsletters from AZ and perhaps an international project may be of interest.

We have an outstanding [hospital project](#), that would be more effective we could partner with another club.

The sister of one of our members, [Hyacinth Onyekanne](#), is a nun assigned to the hospital. The hospital administrator is also a nun.

Hyacinth recently visited the hospital and came back with a 45 min video. Following are some [picture highlights](#).

Our goal is raise \$5000 and to apply for a RF matching grant of \$5000 for a total of \$10,000.

Though your club's financial resources are substantial, we are not interested in partnering for a financial solution. We must solve our fundraising issues thru our own efforts. See our [financial statement](#).

A possible arrangement is a match of what we raise ourselves. Regardless, the main thing we need is inertia.

Thanks much for your help. We look forward to the meeting on July 25<sup>th</sup>.

C Cirulli, President, 2007-2008
